What We Offer the Families We Serve

Our newly expanded chapel opened just this year. It is now the largest in the GTA.

Our modern designed facility elegantly uses natural light, and soft tones to provide a calm atmosphere.

Chapel Ridge has a number of unique partnerships with surrounding crematoriums which allow us to have the service and cremation take place at the same location.

Chapel Ridge also has facilities in Mississauga, at Dundas and Cawthra Road. The facility has a chapel and crematorium in the same location, and can seat approximately 300 (500 with overflow) people. We offer this facility to members of Sanatan Mandir at no extra cost.
